

Oil & Gas Law I

**This non-credit course is 100% online. Start anytime.
Texas lawyers earn up to 31 CLE hours.**

Are you a lawyer, paralegal, or non-lawyer professional who wants to learn the basics of oil-and-gas law? Our tailor-made course is designed to introduce you to the fundamental concepts, including the relationship between the mineral and surface estates, landowner rights, provisions in an oil-and-gas lease, and titles and conveyances of the various kinds of oil-and-gas interests. By taking this course, you'll:

- gain a solid understanding of oil-and-gas law,
- develop a keen interest in the energy industry, and
- feel confident discussing this topic in the real world.

Don't miss this opportunity to expand your knowledge and advance your career!

Course Fee: \$1,500

If you want to advance your career or enter a demanding and profitable industry, this course is perfect for you!
